

**Entry Standard:**

The MOY Unlimited Certification Program is an extensive course designed to provide the highest standards of maritime education for both the professional and recreational mariner. It is an intensive course designed for experienced crew with sufficient on the water experience.

**The requirements are:**

2. IYT Worldwide MOY Unlimited Programme is restricted to current holders of
  - a. A valid IYT Worldwide MOY Limited Certificate.
  - b. A valid MCA stamped Notice of Eligibility (NOE)
  - c. A valid MCA 200GT CoC
  
3. Students may sit the Unlimited course immediately after completing the Limited course provided they have indeed passed all components for MOY Limited theory and practical. **HOWEVER, schools may not order the MOY Unlimited certificate until IYT has received the order for same candidate's MOY Limited and it has been verified.**
  
4. A physical/medical which must include eyesight and colour blindness check
  
5. The Candidate should be 18 years of age or over
  
6. Qualifying Voyage/s
  - a. Prior to taking the course the candidate **MUST** have undertaken either 2 trips of 250 miles, or 1 trip of 500 miles out of sight of land, and to cover those areas where this may be difficult, ie the Med or Caribbean; this out of sight of land requirement can be satisfied 20 miles or more from a shore line.
  - b. It is expected that a passage plan be made for that voyage which would subsequently be used in the course for review and debriefing purposes leading to improvements by the final theory exam.
  - c. It is strongly preferred that the passage/s be carried out prior to the course being taken (but that it may be done after the course with extenuating circumstances)

**Certificate and/or Documentation:** Candidates who have demonstrated the required level of understanding and expertise in the course syllabus will be awarded the IYT Worldwide MOY Unlimited Certificate of Competency

**Maximum Class Size:** 16

**Candidate/Instructor Ratio:** 16 to 1

**Specific Staff Requirements:** Instructors will be appropriately qualified to IYT Worldwide requirements.
